WSEF Forum & EUTRADE Summit 2026

The 8th World Sustainable Energy Forum & 1st EUTRADE Summit 2026

SMART CITY – SMART TRADE – SMART SECURITY

The Global Smart City Forum & Smart Trade Summit will take place on November 4–5, 2026, in the elegant ballroom of the Grand Hotel Vienna, located in the heart of Vienna.

This prestigious international event is set to become a premier meeting point for smart city planners, global business leaders, policymakers, investors, diplomats, and innovators from around the world.

Focus & Vision

We proudly welcome international guests, including

- ▶ Heads of state and government representatives
- ▶ Diplomats, senators, and policymakers
- ▶ Business leaders and entrepreneurs
- ▶ Investors and global decision-makers

"A city may be intelligent, and a city may become a powerful global trade hub — but without security, none of it can truly succeed. Smart City, Smart Trade, and Smart Security must advance together, hand in hand."

WSEF Forum & EUTRADE Summit 2026

Day 1 | Smart Cities & Smart Security

Main topics include

- ▶ Sustainable Smart City Development
- ▶ Security Infrastructure & City Resilience
- ▶ Digital Transformation & Innovation
- ▶ Financial Security & Economic Resilience
- ▶ Future Mobility & Intelligent Infrastructure
- ▶ Cybersecurity for Cities
- ▶ International Cooperation for Smart Cities

Day 2 | Smart Trade in Smart Cities

Key focus areas

- ▶ New Global Trade Opportunities
- ▶ Smart Trade Ecosystems
- ▶ Innovation-Driven Economic Growth
- ▶ International Investment Cooperation
- ▶ Sustainable Business Development
- ▶ Cross-Border Digital Trade Solutions
- ▶ Investment Opportunities in Smart Cities

Our mission

Across both days, we will share knowledge and expertise, build strategic partnerships and promote sustainable global trade initiatives

Key theme

How can we successfully transform energy systems amid geopolitical shifts, climate change, and rapid technological advancement?

Program highlights

- ▶ Keynote speeches & expert panel discussions
- ▶ Sessions from politics, business, and academia
- ▶ Networking with international decision-makers
- ▶ B2B and investment networking meetings
- ▶ Awards recognizing outstanding achievements

Why attend?

The WSEF Forum & EUTRADE Summit 2026 offers insights into the latest global trends and technologies, as well as access to international leaders and investors, business networks, and exchanges with decision-makers and industry experts to actively shape the future of smart cities and global trade.
