WORLD SUSTAINABLE ENERGY ENTREPRENEURS

About WSEE

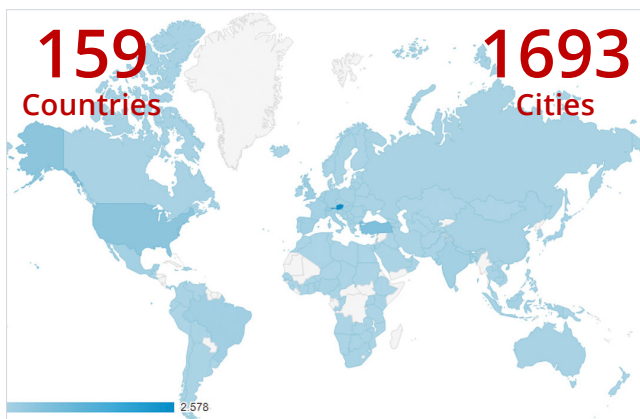

World Sustainable Energy Entrepreneurs (WSEE) is a platform for companies to inform, promote and sell services and products. WSEE supports Entrepreneurship in the fields of Energy, Mobility, Environment and commitment to the Community. WSEE supports as well technologies for developing new systems to prevent the resources of our nature.

We are active in 76 Countries.

WSEE promotes and encourages companies in the name of Sustainability!

Benefit of being a WSEE Member

WSEE platform gives companies the opportunity to market their products and services around the globe.

SENATOR MARC R. PACHECO AT WSEF - HOFBURG VIENNA

The 7th World Sustainable Energy Forum

will focus on

SELF-SUSTAINING CITY

Sustainable Mobility, Environment, Energy & Community

Within three days of our Forum – Conference, B2B Meetings & Excursion – we will discuss Self-Sustaining City Solutions in the areas of

- Renewable Energy
- Mobility & Infrastructure
- Environmental Solutions

Who should participate?

The 7th WSEF addresses people worldwide with professional competence and interest in sustainable energy solutions, issues and problem solving concepts.

- City Mayors, Decision Makers
- City Planners, Architects
- Companies (Energy, Environment & Mobility)
- Non-profit Organizations, Educational Institutions

World Sustainable Energy Institute (WSEIN) is an international institution that promotes and encourages sustainability with the focus on the development of solutions for current global environmental challenges.

With its unique know-how WSEIN establishes interdisciplinary research in the fields of Sustainable Energy, Mobility, Environment and Community.

WSEIN cooperates worldwide with universities, cities, municipalities and organisations which are interested in sustainable development. WSEIN organizes trainings, workshops, onsite and web-based webinars to support the change in the city and community.

Gökhan Yildirim, MSc
President of WSEIN

“My vision is to see our future generation growing up in Sustainable Cities like Vienna.”

Gökhan Yildirim, President of WSEIN

WSEIN is a think tank organisation based in Vienna.
We are working towards Sustainable Solutions for Cities around the globe.
